

Parent/Guardian Observation Sheet for _____ (Child's name)

You, the parent, are your child's primary teacher. This is an important role. It is very helpful if you write down the growth you see your child accomplishing at home each month. This information is part of the assessment of your child's growth throughout the school year and will be placed in his/her portfolio.

Please write down any observations you see at home and send this form back to school. Growth to look for include, but are not limited to: songs from class, retelling stories, calendar activities (days of the week, months,) weather, seasons, counting, patterning, letter recognition and letter-sound connections, shapes and color recognition, better coloring/cutting/gluing skills, galloping/skipping, somersaults, more use of manners, sharing theme information, self help skills (zipping/buttoning, putting on coat etc) rhyming, putting sounds together to make words, saying words that start with the same sound.
