

Dear Parents,

It is that time of year when we respectfully request nominations for the Home & School Board.

Home & School is the parent/teacher organization of St. Patrick School. Our purpose is to promote open communication, good will, and cooperation among the parents, faculty, administration, board of education, and the parish of St. Patrick's here in Perry. We also direct and coordinate parental support of the school through assistance in activities, social functions, and fundraisers.

It is through this organization that many fundraising events take place. With the profits from these events, Home & School helps fund transportation for field trips and other projects that benefit the school, provides teachers with startup funds, and helps purchase supplies and equipment. The objective of our events is to raise money, but it is also important to promote fellowship between students, faculty, and parents.

We will call every person that is nominated to see if they would like to serve on this board and which office they are interested in holding. A vote will be held at the open meeting scheduled for May 10th in St. Patrick School Library. A treasurer's report will be available. We will share information with you regarding money we raised, activities that were funded this past year and possible future expenditures.

Thank you for your time and effort in supporting St. Patrick Home & School fundraisers!

If you have any questions please feel free to call any Home & School Officer.

Melissa Landon 491-2424
