

February 24, 2010

Dear Parents,

We are extending our school day for the months of March and April in an effort to make up five of our nine school days. We realize this weather has been an inconvenience for all and appreciate your patience. Let's hope for a mild March!

Extended Day Schedule: March 1st through April 30th

Monday-Friday (no Wednesday early outs)

School day: 8:00 a.m.-3:30 p.m.

- 5 snow days will be made up through the March/April extended day schedule
- February 19 will be an additional snow make up day
- 3 snow make up days at the end of the school year
- Final day of school for students is June 3rd (as of 2/24/2010)

Perry Community School is using the same method to make up their snow days. Because we depend on their buses for transportation, we will follow this schedule, too.

It is important that students are here on time in the morning. We have a pretty long list of students who are tardy each day. In order for the additional instruction time to be beneficial to students, we need to start the day on time. Please make every effort for your children to be here promptly at 8:00.

If you have any questions, please do not hesitate to contact the school at 465-4186. Thank you for your continued understanding and support.

May 3rd through June 3rd – back to regular schedule which includes Wednesday early dismissals for professional development.

ST. PATRICK SCHOOL
