

# Don't Wait. Vaccinate.

A message from Dallas County Public Health:

These are the current vaccinations that are recommended by the CDC for teens:

- Tetanus-Diphtheria-Pertussis vaccine
- Meningococcal vaccine
- HPV vaccine series
- Hepatitis B vaccine series
- Polio vaccine series
- Measles-Mumps-Rubella (MMR) vaccine series
- Varicella (chickenpox) vaccine series
- Hepatitis A vaccine series

Please contact your private physician to receive the vaccinations you may need.

At Dallas County Public Health we are able to provide vaccine to adolescents for a donation only to those who qualify. To participate in this program you must be 18 or under AND be uninsured, have insurance that does not pay for immunizations, receiving Medicaid or Indian American or Alaska Native.

Please call Dallas County Public Health at 515-993-3750 or 515-465-2483 for more information related to these vaccines or to schedule an appointment.
