

CAST YOUR VOTE FOR BOX TOPS AND LABELS!

2011 - 2012

Our theme this year is announced above. Our contests will be about voting and electing. Our goal is \$2200.00. Our year-end prize is a limousine ride by the winning class. Our reward will be many new and exciting items for our students and staff to use in the classroom, on the playground and about everywhere in between. So get ready and cast some ballots!!

CONTESTS.

We will have three Box Tops Contests this year. The first two contests will be an election for the Horton party and the Eeyore party. The Hortons are the party identified by an elephant and the Eeyore's are identified by a donkey (see our Box Tops bulletin board). When these two contests are completed, we will have one class elected to represent the Hortons and one class elected to represent the Eeyores. Our third and final Box Tops contest will center around the election of one party/class – it will be up to the student body to elect either the Hortons or the Eeyores. Whichever class wins will be rewarded with a limousine ride around Perry to celebrate. And of course, you can't have elections without campaigns and this will be the main focus of Contest No. 3.

HOW DO YOU VOTE?

WITH BOX TOPS, CAMPBELL'S UPCS AND TYSON ABCs OF COURSE!

BOX TOPS.

These are located on several products; see attached information. All you have to do is cut the Box Top off the product and each one is worth 10 cents. There are also many ways to earn bonus Box Tops through monthly sweepstakes -- all you need to do is log onto their website (www.boxtop4education.com), submit your email address and this will enter your name into any sweepstakes or bonus opportunities for our school. Please take advantage of these opportunities and others that we tell you about throughout the year. Box Tops for Education cuts the school an actual check in December and again in April. **This year, I have set our goal for \$2,200.00.** Last year our school made \$2193.00. I have already submitted Box Tops totals from May, 2011 and our summer contest which will amount to a check to St. Patricks for close to \$500.00!

CAMPBELLS UPCS.

Please note that we only **CLIP THE UPCS AND NOT THE LABELS!!** Campbells will not accept labels any longer. We are given one point for each UPC collected. This year, there are several products worth 5 bonus points (see attached list). We are beginning the year with **29,328 points**. We can continue to accumulate these points or cash them in for needed merchandise out of a catalog for the school to use. It includes anything from software, supplies, office equipment, playground equipment...just about anything a school may want.

TYSON PROJECT A+ LABELS.

Please see attached sheet for details on this program. Be sure to cut the **COMPLETE LABEL WITH THE A+ PROJECT AND 1, 2, 3.** Tyson will not give us credit for partial labels. We earn 24 cents per label. This program is a huge success with St. Patricks!
