

# BOX TOPS SUMMER CONTEST

Box Tops, Campbells UPCs, Tyson ABC Labels Accepted  
**June through August, 2011**

Over the last school year, our school earned over \$2,100 in Box Tops money. This money is directly deposited into our Home and School account which assists with various purchases directly related to our school, including a SMARTBoard in one of the classrooms for next school year, field trips by various classes, and costs associated with Red Ribbon week, to name a few.

Overall, St. Patrick is ranked 89<sup>th</sup> out of 1707 schools in Iowa for Box Tops earnings which is in the 94 percentile of all schools on both the state and national level. In comparison, Holy Trinity School in Des Moines raised \$2,342.00 in Box Tops earnings; their student body is well over 500 children. St. Patrick earned \$150.00 less than Holy Trinity...with 77 children to their 500! This is truly amazing and we should be so proud of ourselves! We have incredible, incredible children and families at our school, never doubt that!!

For the 2011-2012 school year, I would love to see us reach a goal of \$2,500.00 or better. We can do this! But we need to start NOW!!

This note is coming to you in the form of a sandwich baggie with your child's name on it. Also included is a list of what our school collects (Box Tops, Campbell's UPCs and Tyson ABC labels). Over the summer we ask that you and your child try and fill the sandwich bag as full as you can get it with these collection items.

Each student who returns to school in the Fall with a **completely** filled sandwich baggie will earn the opportunity to have special lunch with our new principal, Mrs. Tonya Eaton. In addition, each student who has filled their sandwich bag will receive a surprise treat during the luncheon.

Finally, I personally would like to thank each student, each parent, each teacher, each grandparent and everyone and anyone who has helped St. Patrick School collect Box Tops, UPCs and Tyson throughout the year. I would also like to thank Alex Thompson's grandmother (Sue Biggart), Cassie Hager-Smith and Brenda Martin for helping count and bundle throughout the year. Upon receiving the check and/or points from each respective organization, it has made all those late nights of counting, clipping and bagging well worth it. St. Patrick School is definitely well worth it. Thank you all!

**GET THOSE BAGGIES FILLED!**
