

Photo Release

There are many instances when we would like to use the photos of St. Patrick School students to promote the school. The photos would be used in such places as, but not limited to, the school's website and in promotional brochures. You may recall signing a release with your registration forms. That release was only for the local newspaper. We will make changes to the form for the next registration packet.

We are asking parents to sign this release to allow the pictures to be used. Normally only the picture will be used and no names will be listed. The exception would be if the pictures are used in the newspaper.

Please take a moment to sign this form and return it to school with your child. It is important that we have this form returned as soon as possible. Thank you.
