Remember: When it says “Perry” it means “St. Pat’s”, too. Since we depend on Perry Community Schools for bus transportation we follow their lead in canceling or delaying school.

School Arrival Time: When school is delayed two hours due to weather conditions, *school begins at 10:15*. Please make sure your child is not here too early. Teachers and staff are not required to report early on these days, so it is possible that no one would be in the building. *Please make sure someone is here and don't just drop your child off and leave.*

After School Child Care: When school dismisses early due to weather conditions, there is *no after school child care*. Parents need to have a plan in place so your child has a place to go in case school is dismissed early due to bad weather. Please begin to make those plans now and tell your child and his or her teacher of the plan so everyone knows what to do.

Late Start – Breakfast Info: There is **no breakfast served** on days we have a late start. Our first concern is for the safety of all students. If you have any questions, please do not hesitate to contact the school at 465-4186.
